**CE Process:**

- Attendees may apply credits for each session attended to the **2026** registration year to meet the requirement set forth in Ohio Administrative Code 3701-29-03 (C)(5). It is the responsibility of the sewage treatment system contractor to maintain records of CE hours earned and provide proof of the CEs to each board of health at the time of registration.
- Attendees must be pre-registered for each session they would like credit for and have their badge scanned at the door to receive Certificates of Completion.
- Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within four weeks of the conclusion of the WWETT Show.
