

Continuing Education Information

Ohio Environmental Protection Agency has granted approval for contact hours for water and/or wastewater professionals. **Please see a list of approved sessions on the following page.**

Contact Hours Process:

- The WWETT Show will enter the hours you earned per class to Ohio EPA.
 - Note: We can only report your sessions if you include your Ohio EPA ID in the demographics section when you register for the WWETT Show. **If you do not provide your license number when registering, WWETT will not be able to submit your hours for credit.**
 - You must also pre-register for the sessions you would like credit for and have your badge scanned at the door of each session to receive a Certificate of Completion.

- Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within four weeks of the conclusion of the WWETT Show.
