Continuing Education Information

Alberta Environment and Parks (Water and Wastewater Operator Certification branch) has approved the 2027 WWETT Show for CEUs. Credits will be offered on a case-by-case basis depending on your certification and which classes you attend.

To receive credit, please follow the process below:

- Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show “Granted” status)
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- Operators are responsible for submitting their Certificate of Completion to the accrediting body directly for potential credit.
