

Continuing Education Information

California Water Environment Association (CWEA) no longer pre-approves classes for contact hours. It is up to you as the certification holder to attend courses/trainings that are related to your vocation. You will submit your Certificate of Completion from the WWETT Show to CWEA when your re-certification is due.

To receive credit, please follow the process below:

- Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show “Granted” status)
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- CWEA certificate holders will report their own contact hours at the time of their re-certification.
