

Continuing Education Information

It is not necessary for the WWETT Show to receive pre-approval from the Environmental Operators Certification Program (EOCP) for operators in British Columbia and Yukon since the program takes place out of their jurisdiction. To submit your attendance to EOCP for *possible* credit, follow the process below.

To receive credit, please follow the process below:

- Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show “Granted” status)
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- Attendees are responsible for submitting Certificates of Completion to their own certification board as proof of attendance.
