

Continuing Education Information

Minnesota Pollution Control Agency no longer pre-approves WWETT Show sessions for continuing education credit. It is up to you as the certification holder to attend courses/trainings that are related to your vocation. Following the WWETT Show, WWETT will submit a list of everyone from Minnesota who attended, along with which sessions they successfully completed. At that time, Minnesota Pollution Control Agency will review the attendance records and award credits on a case-by-case basis.

To receive credit, please follow the process below:

- Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show "Granted" status)
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- Attendees should maintain copies of their Certificates of Completion for their records.
