Continuing Education Information

Missouri DNR will recognize *applicable* sessions from the 2027 WWETT Show for operator renewal training hours.

Missouri certified operators are required to submit proof of attendance (Certificates of Completion) directly to Missouri DNR for review and possible credit.

To receive credit, please follow the process below:

- Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show "Granted" status).
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- Attendees are responsible for submitting Certificates of Completion to Missouri DNR at the time they apply to renew their license.
- If you have questions pertaining to MDNR or what sessions are applicable, please contact opcert@dnr.mo.gov.
