Continuing Education Information

Ohio Department of Health has approved **up to 18.5 hours** of continuing education (CE) for sewage treatment system (STS) contractors, including installers, septage haulers and service providers. Each session included in the education tracks offered on Monday, Tuesday, Wednesday, and Thursday is approved to the nearest one quarter contact hour (e.g. a session lasting forty (40) or fifty (50) minutes would be 0.75 continuing education hours).

Monday, February 22, 2027	Up to 6.5
Tuesday, February 23, 2027	Up to 5.0
Wednesday, February 24, 2027	Up to 5.0
Thursday, February 25, 2027	Up to 2.0

In addition, the following "stand-alone" courses scheduled during the 2027 WWETT show have been approved for the indicated number of continuing education hours for sewage treatment system contractors, including installers, septage haulers, and service providers:

Attendees may apply credits for each session attended to the 2028 registration year to meet the requirement set forth in Ohio Administrative Code 3701-29-03 (C)(5). It is the responsibility of the sewage treatment system contractor to maintain records of CE hours earned and provide proof of the CEs to each board of health at the time of registration.

To receive credit, please follow the process below:

- WWETT will send records for all sessions you attend to this accrediting body if you do the following:
    - Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show "Granted" status); AND
    - Provide your Ohio DOH license number when you register for the WWETT Show.
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- It is the responsibility of the sewage treatment system contractor to maintain records of CE hours earned and provide proof of the CEs to each board of health at the time of registration.
- **If you do not provide a valid license number when registering, the WWETT Show cannot submit your attendance records.**
