

Continuing Education Information

OWWCO (Ontario Water Wastewater Certificate Office) requires training hours each year for wastewater operators. Contact hours earned at the WWETT Show may be applied toward license renewal. OWWCO does not pre-approve continuing education or require proof of attendance be submitted to them by the WWETT Show. Certificates of Completion will be provided to attendees as proof of attendance.

To receive credit, please follow the process below:

- Register for a pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show “Granted” status).
- Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
- Attendees should submit their Certificates of Completion to OWWCO for possible credit.
