

Continuing Education Information

It is not necessary for the WWETT Show to receive approval from Virginia Department of Professional Occupational Regulation (VA DPOR). To receive continuing professional education (CPE) for attending the WWETT Show, please follow the process below.

CPE Process:

- Attendee is responsible for maintaining evidence of completed CPE contact hours for at least two years following the end of the license renewal cycle for which the CPE was taken. To assist you with this requirement:
 - You must register for a WWETT Show pass that includes access to conference sessions AND have your badge scanned at the door when you enter the session(s) for which you would like credit (badge scan must show “Granted” status).
 - Attendees will receive a Certificate of Completion listing all sessions/hours they completed. Attendees can access/download their WWETT Show Certificates of Completion in the Registration Resource Center within 4-6 weeks of the conclusion of the WWETT Show. An email will be sent to attendees with instructions for downloading certificates once they are available.
 - Attendees will download or print earned certificates and save them for the appropriate amount of time in case of audit.
- If you have any questions, please contact the VA DPOR for further clarification at waterwasteoper@virginia.gov.
